Position available for an individual with a master's degree or several years experience in genetic counseling. A strong interest in research and teaching is also necessary. Send curriculum vitae to Dr. Robert M. Fineman, Department of Pediatrics, University of Utah Medical Center, Salt Lake City, UT 84132. An equal opportunity/affirmative action employer.

---

Medical geneticist, M.D., to join three geneticists in an established and expanding state-wide program. Two years in a recognized genetics training program or its equivalent required. Primary responsibilities will be in research and teaching. Send curriculum vitae to Dr. Robert M. Fineman, Department of Pediatrics, University of Utah Medical Center, Salt Lake City, UT 84132. An equal opportunity/affirmative action employer.
